

# DinoGuard

## Recycled Rubber Floor Coating

Achieve perfection with our latest DinoCare addition.

designed for Dinoflex Recycled Rubber flooring. This non-yellowing, UV-stable coating is long lasting and brings out the richness of the colors in our products. Featuring a stain resistant formula which reduces the porosity of recycled rubber flooring, DinoGuard makes for an easier and more affordable cleaning and maintenance routine.

### Features:

- UV Stable
- Seals porosity
- Ultra-tough protective layer
- Color enhancing
- Self-leveling

### Benefits:

- Preserves your new floor look
- Low maintenance
- Prevents damage to flooring
- Adds dimension to your flooring
- Easy to apply and repair without the use of floor stripper

### Applications:

#### Health Care

Laboratories, Pharmacies, Dental Practices

#### Education

Classrooms, Science Laboratories, Fitness Centers, Libraries

#### Hospitality/Commercial

Entranceways, Conference Rooms, Lunch Rooms, Bathrooms

Designed for floor care programs where no routine mechanical maintenance such as buffing or burnishing is required.
